Company: Sterling Cross Trading LLP

Location: South Africa

Category: other-general

Tired of the UK's grey skies and doom-and-gloom attitude? Looking for warmer climes and greener pastures? This is a fantastic opportunity for an experienced Pharmacist to work in Gibraltar, joining a pharmacy that has served the local community for over 50 years. With over 300 sunny days per year, its rugged Mediterranean coastline, rich heritage and thriving food and arts scene, Gibraltar offers Southern European living with British-based systems (yet without the UK's VAT, sales tax, wealth tax, and high rate of income tax). Gibraltar is within easy reach of the UK by air, Spain by land, and Morocco by sea, meaning you'll find easy fulfilment of your travel needs too - so whether you're a history buff, budding gourmand, seasoned vacationist, or simply prefer to spend your time relaxing on sandy beachfronts, there's something for everyone to be found here. The pharmacy itself is a modern, refurbished store found within Gibraltar's bustling shopping district. Your competitive salary (negotiable) will be accompanied by a performance-based bonus scheme. This is a permanent, full-time (Mon-Fri) position that will see you develop professionally and build great relationships in a truly idyllic setting, best suited to a Pharmacist looking for a role offering both sunshine and longevity. The ability to speak Spanish would be an advantage to you but is not essential for the role. Person specification: \* (Essential) Active registration with the GPhC as a Pharmacist. \* (Essential) Ability to effectively lead, manage, and motivate a team. \* (Essential) Ability to build good relationships with team members, customers and external partners. \* (Essential) High standard of accuracy and attention to detail. \* (Essential) Willingness to relocate to Gibraltar/the Spanish border!
